Please book me to travel with the club and custom parade / Number if more than one

Club & Custom Parade will be escorted by the Dubai Police and we will leave on time as per the schedule, please ensure you are there on time and in place for the drive off.

We will gather cars at Palm Strip and THE ONE car park, if the spaces are full please park in the adjacent road between the One and Spinney's or in the Spinney's car park. We expect a large number of cars and therefore request your full support in gathering the members.

We will start gathering at 1pm on Saturday 1st December – we will depart sharp at 2pm for the drive to Mamzar Corniche Via Al Mina Road and Shindagha tunnel. Once at the Corniche you will be able to park and set your car within the appointed bay areas. The parking bay areas have been reserved for this event.

Each bay will be sign posted with the category of the competition and you will be given a number for the front and back of your windscreen for ease of viewing by judges and the public. You are welcome to bring flags, cards or flyers for any interested parties. The event is officially due to finish at 10pm and therefore request that once your car is in place it will not be removed until the end of the show. I am sure you'll understand the logistics of this request as cars will be parked in facing opposed to street facing and best done in a civilised order.

Judging will take place between 7.30pm and 8.30pm with final results and prize giving at 9pm on the podium with media and Dubai Sports TV coverage.

There will be food and drink (non alcohol) available to purchase at reasonable rates plus plenty of activities to keep you amused, it will be a time of gathering all clubs and show cars. Therefore i request that attendance to this event be in the best possible spirit and suitable behaviour. All competition cars must comply with regulations and standards ensuring a fair competition for all.

There will be an award (King of the Show) presented by Mohammed Ben Sulayem who will personally choose and award this honour in front of the media and Dubai Sports TV. Every participant will be provided with a certificate of attendance in this first official gathering of custom and car clubs. Thank you all for your support, Sandy
